WORK EXPERIENCE

WEB DEVELOPMENT INTERN

(July,2024-August,2024)

Company : DeltaSoft

During the internship, I contributed to various projects by assisting with coding, debugging, and implementing web development solutions.

PROJECTS

SILEXTRA

- Developed a website for converting Malayalam and English text/audio to Indian Sign Language.
- Used HTML,CSS for front-end, JavaScript for back-end and DeepMotion AI for avatar training.

BRAINTEASE

- Developed a quiz maker website using HTML, CSS and JavaScript that enables users to create and take quizzes. Users can input questions, multiple-choice answers, and correct answers to build a quiz. Other users can then take the quiz and receive immediate feedback on their scores.
